

SEL Week Webinar Showcase Series - March 4-7, 2024

Join SEL4NJ for a series of practical webinars for all school educators and mental health professionals sharing SEL strategies that work in classrooms and schools. These webinars are offered free of charge and recordings will be available after SEL Week for those who have registered. Program descriptions are available on the SEL4NJ website (sel4nj.org). All sessions will meet online, Zoom Meeting Rooms will be used, and you can register for each day by clicking on the links below.
